Re: Team Gayot  
C00673244

To whom it may concern:

The purpose of this communication is to file a formal complaint against Team Gayot, the above mentioned campaign committee.

Team Gayot, the candidate and treasurer have violated FEC Law. They did so by failing to report outstanding liabilities owed to:

Gotham Strategies, LLC  
C/O Lally & Misir, LLP  
220 Old Country Road  
Mineola, NY 11501

Attached please find invoice dated April 18, 2018.

Attached please find screenshots of text conversations with the candidate, in which he acknowledges liability and promises check "is going out."

It is my understanding that unpaid expenditures from April 2018 must be reported in filings as liabilities until paid in full or forgiven.

I am saddened to see a campaign committee violate FEC Law and deny voters our Right to know what the campaign has actually spent.

Please don't hesitate to contact me if I can provide any further information to assist in your investigation.

I do not want the campaign to have my address and respectfully request that my name and information be redacted from any communication with the campaign.

Thank you in advance to your attention to this matter.

Sincerely,

*Maureen Daly*
